Mrs. Cassidy;
 It sure has

Out of one year

Dear Mrs. Cassidy,
 Now that "the day" is almost here
 I feel kind of sad about it. At
 least I'll have a lot of good
 memories to carry with me. One
 enjoyed your class so very much.
 I don't want you to think I'm
 trying to be an apple-polisher -
 I mean this in all sincerity -
 you're one of the finest teachers
 I've had. I hope - I mean
 I should have perfect children
 after everything we learned
 in homemaking. It's come back
 and see you. (I might even
 bring a little shopping with
 me) that will be for in the
 future though, I'm afraid!
 English, our really
 enjoyed everything
 about this class.
 Love always,
 Helen

May you always
 have the best of

Here's hoping you have continued success —

Donald Call

Dear Mrs. Cassidy
Thank you for the wonderful
advice and help you have given
me through this year. It felt like when
I first attended this school but your
smile and warmth gave me a feeling of
security. Thank so much.

Respectfully
Paul J. Fagnano

Dear Mrs. Cassidy (David)
I really enjoyed and
will miss it as much
as I did. I have a
few more people
who will never
forget people.
I have a friend
who is a friend
of mine and I
will miss you
and your family
and your friends
and your home
and your life.

The time is eight ten in the morning and the place is room 211. Year-book adviser Mrs. Sidney Wales is seated at her desk surrounded by a forbidding pile of photographs, envelopes, Jacket copy, and books. She pauses for a moment in her struggle to make order out of chaos and in a tired voice utters the semidesperate question, "Are we ever going to get this Pod underway?" However, no answer is forthcoming because the only other persons present are two page editors sleepily identifying pictures.

This discouraging scene, although witnessed by any Pod staff is certainly not a typical one. On the contrary, Mrs. Wales' experienced and able leadership plus the natural desire of the seniors to own a "bigger and better Pod" combine to produce a beautiful yearbook.

Of course, words and even pictures can never fully take the place of what they represent. Nevertheless, the present staff feels that this Pod does much to strengthen the gap between memory and experience. Look it over carefully and let the pictures and messages help you remember and relive an eventful spring term.

It's an original Pod in many ways. The format as well as the cover are the work of Ronald Lai, a talented member of our class. This book is the final result of many hours of hard work by the entire staff. We certainly hope it meets with your approval.

IMPRESSIONS

All through our lives we make impressions. We do this whether we want to or not. During the past three years that you, the graduating seniors, have spent at Berkeley High School you have made many impressions. The way that you have reacted to the situations that have confronted you at Berkeley High has created an impression on many people.

Berkeley High School is represented by groups and individuals who, through the impression these groups and individuals make, reflect upon Berkeley High. The athletic teams, Honor Society, California Scholarship Federation, extracurricular clubs and activities all make an excellent impression for Berkeley High. And most certainly the combined efforts of the Music and Drama Departments in producing the Operetta have impressed many people. Other activities and projects such as the Alumni Art Exhibit, the Olla Podrida, and the Jacket make excellent impressions also.

Yet, on the other hand, reckless driving by Berkeley students makes a wrong kind of impression on the citizens of Berkeley, and people begin to think that all Berkeley teenagers are juvenile delinquents. The wrong impression given by a few spoils the reputation of Berkeley High.

As you graduating seniors enter into a much bigger world, either through work or college, remember the impression that you will make on people and always try to represent yourself, your school, and your work as excellently as you possibly can.

Your principal,
J. ELWIN LETENDRE

As the time for graduation draws near many memories are brought into my mind. Our fine auditorium, musical productions, and athletics have made outstanding marks which will last for years to come. We should all be proud of the facilities and the privileges we receive here at school. Because of these, Berkeley High is ranked among the highest in the nation.

This semester has been a great success in many ways. The student body deserves more credit than can be paid for their work on the Operetta and the Senior Play, both of which were very outstanding. We were well represented at the Northern California Music Festival. The band and orchestra deserve unending praise for their performances at the Festival and here at school. They have certainly increased the prestige of Berkeley High. Athletics again brought us a good name in the world of sports. Our golf, swim, tennis, baseball, and track teams represented us well at all their contests. We have had individual celebrities in our midst as well. They have excelled not only in the fields of music, science, speech, and athletics, but they have also reaped a large share of the available scholarships. Surely they deserve praise for their efforts. Yes, this has been an outstanding term, one that we cannot look back upon without pleasant memories.

The presidency has meant much more to me than can be explained on this one page. It has been a big job but an inspirational one. Several times people have come to me and asked whether they should run for an office or not. I urge all of you to run for some office during your school life. The greater the effort that goes into the student government, the greater the benefits will be. A student body office is an opportunity of a lifetime that we can't afford to miss.

To those of you with whom I am graduating I would like to say that it has been great going through these invaluable years of training and learning. The friendships which have been made here will last as long as we live, I'm sure. To those who stay behind, I would say to make the most of these three short years. They go by all too soon and you, too, will be sorry to leave . . .

This semester, fifty-four Senior Friends, a larger number than ever before, have gone on carrying out our motto of "Friendship and Service." Through serving at the Senior Ball last term, doing Cafeteria and Lobby duty, ushering for school functions, entertaining at the Senior Dinner, and most important, helping new girls to feel at home at Berkeley High, each Senior Friend has made her time count as a real asset to our school, and my sincerest thanks goes to every one of them for a job well done. I would especially like to thank our sponsor, Mrs. Ulry, and my two co-chairmen, Margaret Dickie and Pan Gallick, who have helped a great deal. Serving as Senior Friends' chairman has been a wonderful experience, and one I will never forget.

This term's Rally Committee was the largest committee the Berkeley High campus has ever had. It has worked hard to live up to the high standards of the past Rally committees. Some of the functions of this committee were to sell cokes at all school dances, keep the Slope in good order, and to help at the track meets.

It has been an honor and a privilege to be chairman of this Rally Committee and work with these boys.

I would like to thank Mr. Nealson, whose advice and aid were invaluable. I would also like to thank the assistant chairmen, Rudy Johnson, John Watt, and Keith Belgum, who have really been very helpful in making this term so memorable.

To the boys on the committee—thanks for your cooperation and best of luck in the future.

PRESIDENT'S MESSAGE

For the outstanding success of all our activities this term I owe a great deal of gratitude to Louise and Susan, who worked tirelessly on all our projects, to Miss Nova Bartlett, whose suggestions and help were invaluable, to the diligent efforts of the Hat Checking Committee, and finally, to all the members of the Honor Society. It has been a true inspiration and honor to be president of such a capable and genial group.

It is with great sadness that I leave Berkeley High School, for nowhere will I again find such diversity, or the inspiration and beauty thereof. In the student body, every race, religion, and ideal is represented, and in each there are outstanding individuals. Berkeley High School can become a true example of the ideal of American Democracy. I challenge those remaining, and those to come, to seek this goal.

Go Well,

Members of Honor Society and CSF.

With the enthusiastic support of nearly 250 members, the BHS chapter of the California Scholarship Federation has completed a very active and productive term.

A cause for great joy was financial aid given to our treasury by the BOC helping us to present honorary gold pins to the Sealbearers.

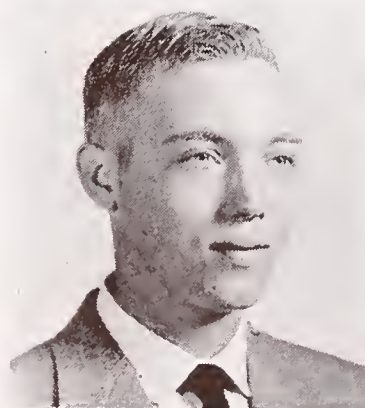

For the first time in several terms, a number of our members represented us at the regional conference at Asilomar on May 5.

Two of our other activities were a Coke Date for prospective members and a cake concession.

Certainly the term would not have been the success that it was without the spirit and efforts of Dave Grether, vice-president; Barbara Yates, secretary-treasurer; Mr. Nelson and Miss Repetto, co-sponsors; and Miss Bartlett, our dedicated sponsor.

I hope that our CSF will continue to be the strong, living organization it is now.

It seems impossible that the time has come for me to say farewell to BHS and the GA. I have had many and varied experiences during my three years here. But, the most wonderful one has been that of serving as your GA president. It has been an experience I shall always remember and value.

I would like to take this opportunity to thank all the girls who supported and attended our GA functions. Without their cooperation and help, little would have been accomplished. A special vote of thanks goes to the GA officers, Terry, Susan, Jean, and Kathy. Their help and assistance were invaluable.

We had an active term in the GA. The dance "Hayfever" was a wonderful success and a lot of fun. The All Girls Assembly also proved successful. And, of course, there were the Low Ten Welcome and the Senior Farewell.

I thank Mrs. Ulry for her untiring help. Without her encouragement and guiding hand, I and the GA would have been lost.

My thanks again for a wonderful term. Good luck to all of you.

SENIOR CLASS HISTORY

LOW 10:

That memorable day when we first filled out all those forms in our strange, new home-room was about 1090 days ago. It was all so different. How would we find all those rooms, and where was that elevator? After that tedious and eventful first week, we began to settle back and enjoy our new life at Berkeley High. We were proud of our newly elected officers who were Harry Chandler, president; Villard Wright, vice-president; Toni Blair, secretary; Cheryl Olsen, treasurer; and Evelyn Buel, social secretary. With these officers to guide us we were off to a good start, and we presented as our concession at Fun Night, a baseball toss. We had no Slope concession this year.

HIGH 10:

Our spirits were boosted now that we weren't the lowest creatures in the school any more. Bud Kamb was our president. Our other officers were Bill Peterson, vice-president; Lynn Cathcart, secretary; Dagmar Givant, treasurer; and Cheryl Olsen, social secretary. We were still the biggest class in the school and mighty proud of it. Many of us joined one of the numerous spring sports and earned letters. Again we had no concession. Our dance, "Neptune's Holiday," was not too successful. We lost 11 cents.

LOW 11:

Berkeley High was nothing new to us now. Again Harry Chandler was elected president. Henry Chin became vice-president; Ann Dalziel, secretary; Toni Blair, treasurer; and Susan Ide, social secretary. "Words and Music" was our Junior Prom. It was one of the most successful dances ever presented at BHS. Our hot dog concession at the football games brought us a lot of much-needed money. At Fun Night this term, we presented a garter toss as our concession.

HIGH 11:

After a long winter, spring had come at last. But spring fever had not overtaken our active class officers. Pete Herb was our new president, and Bruce Williamson our vice-president. Carol Rose was secretary; with Dagmar Givant, treasurer; and Lynn Cathcart, social secretary. They got us started with a marvelous Junior Prom called "Jailbreak." We also hauled in the money on our cotton candy sales on the Slope.

LOW 12:

We finally made it. We were seniors at last. And on the BOC were five of our classmates helping to run our school government. Harry Chandler was elected vice-president of the student body, Dick Keating was Circle "B" president; Pete Herb, Honor Society president; Nancy Loomis, GAA president, and of course, our class president, Bill Vaughn. Our other class officers were Bob McManus as vice-president; Terry Garthwaite, secretary; Pete Scott, treasurer; and Emily Buel, social secretary. With all that spirit behind us we were a cinch to win the spirit cup, and we did. Gremlins were our concession on the Slope this term. Graduation was coming closer and closer, and we were looking forward to our last half year with great excitement.

Members of the class taking the test for the National Merit Scholarship, sponsored by the Ford and Carnegie Foundations, October 27, 1955.

PETE HERB
President

For three years the members of this class have been working together building up to this final triumph, our graduation. Through these times we have shared many hardships and letdowns, but we kept going forward. The dances we put on, the rallies we presented, and the Slope sales we backed were examples of our tremendous spirit. Throughout the past three years, we have had good times and have won many friendships that we shall always treasure.

This final climactic term is one we won't soon forget—the laughter at Ditch Day, the dreamy Senior Ball, the memories of our Banquet, and finally the sadness and happiness of our graduation itself. All these now turn into moments of the past.

As you all go your separate ways, I hope you look back on this term as the most memorable of your stay at Berkeley High.

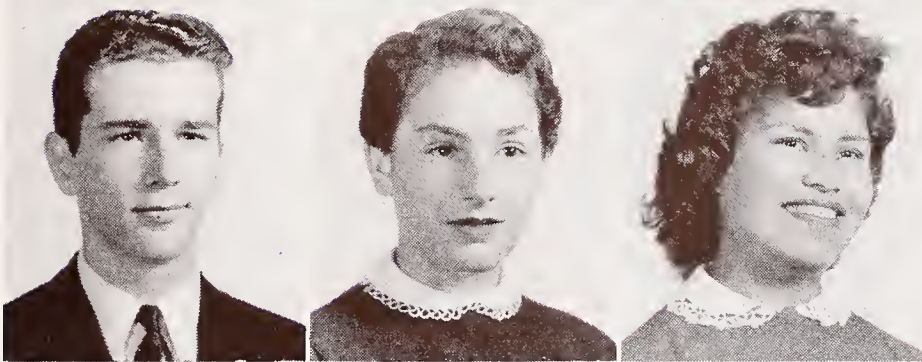

I am proud to have been a member of this class and prouder to have been able to serve as your president. Thank you all for your cooperation.

Until our paths cross once more, goodbye and good luck.

L-12 Class President's Message

The L-12 class was reduced in size considerably this spring because some fifty students skipped to graduate this term. In spite of this handicap, we have kept up the high standards of our class. We had tremendous success selling Gremlins for one week, and many class members joined in activities around school.

With all the help we were given by our class sponsor,

Mr. Copley, the accountants office, and the class representatives, this low senior term has been one of our most successful.

Thank you very much for an experience I shall never forget.

Good luck always!

L-11 Class President's Message

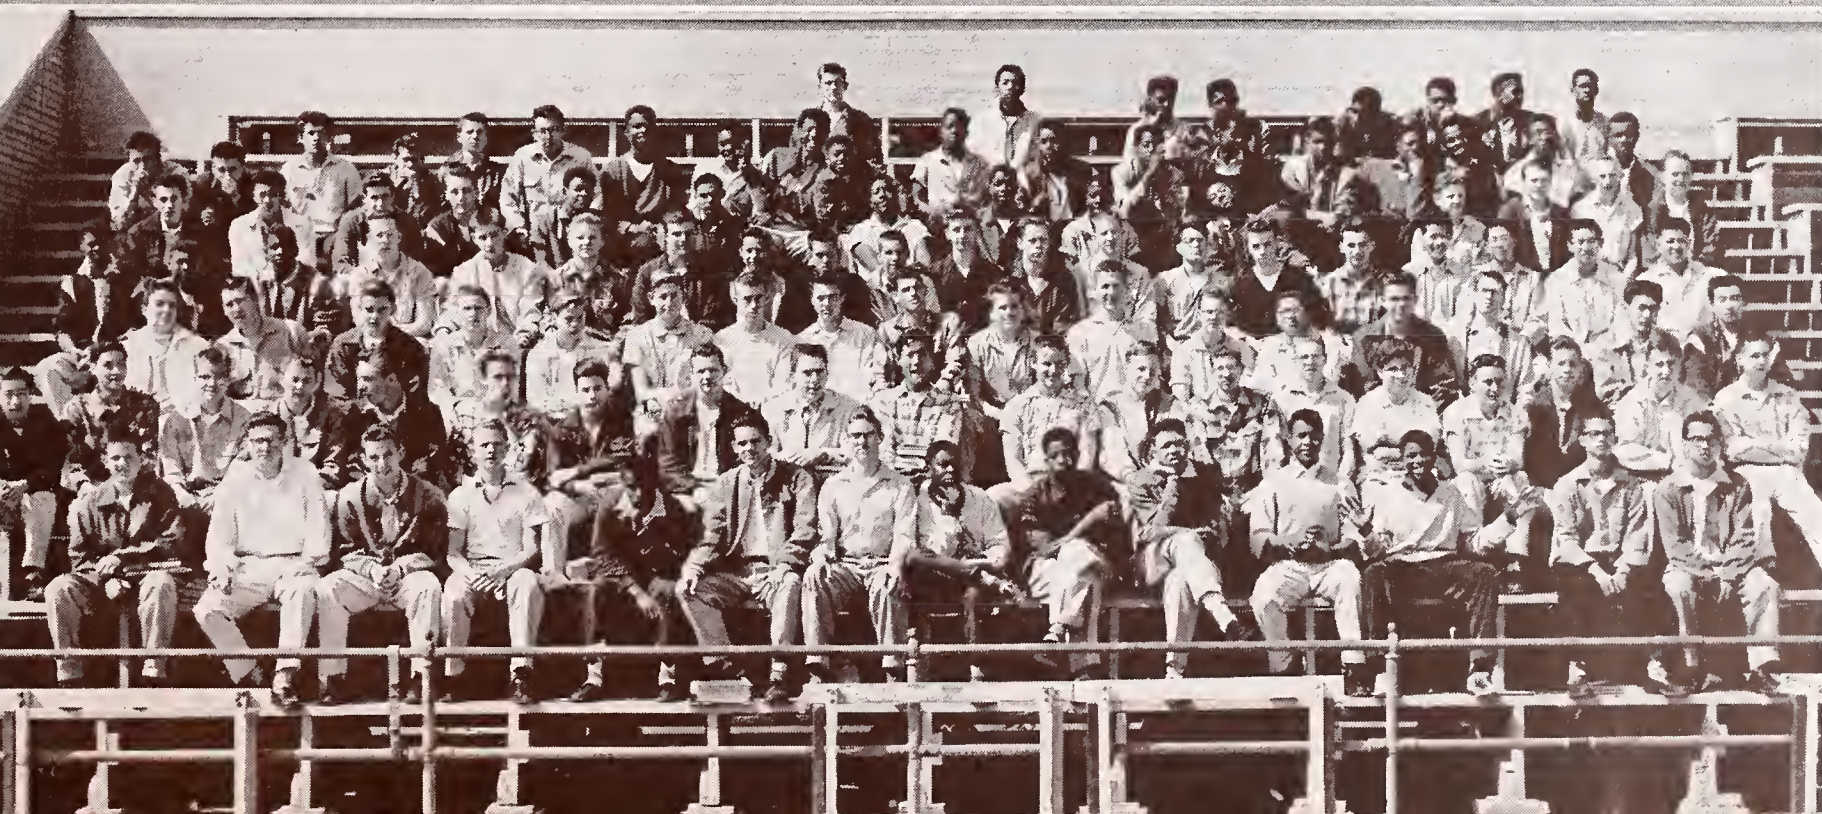

This spring term of '56 has been a successful and memorable one. Our Junior Prom and other class activities have made this term a big success.

It certainly has been a wonderful experience for me to have been able to serve as class president of the low eleven. I want to thank the L-11 Class Council and

the class as a whole for the splendid cooperation and support. Special thanks to Mr. Loney, or class sponsor, for his tremendous help and guidance.

Good luck and all the success in the world to each and every one of you.

H-11 Class President's Message

It has been both interesting and enjoyable being class president this term. With the able support of our many homeroom representatives we accomplished all that we set out to do. Especially gratifying was the cooperation of the low-eleven class in presenting our Junior Prom. Our sponsor, Mr. Waltz, was very helpful in his contribution of print shop time and materials. The term was successful financially, due largely to the spirited volunteer work. Thanks again for the opportunity to serve as H-11 president.

H-10 Class President's Message

Now that our first year at BHS has ended, I feel that our sophomore class has had a very interesting year.

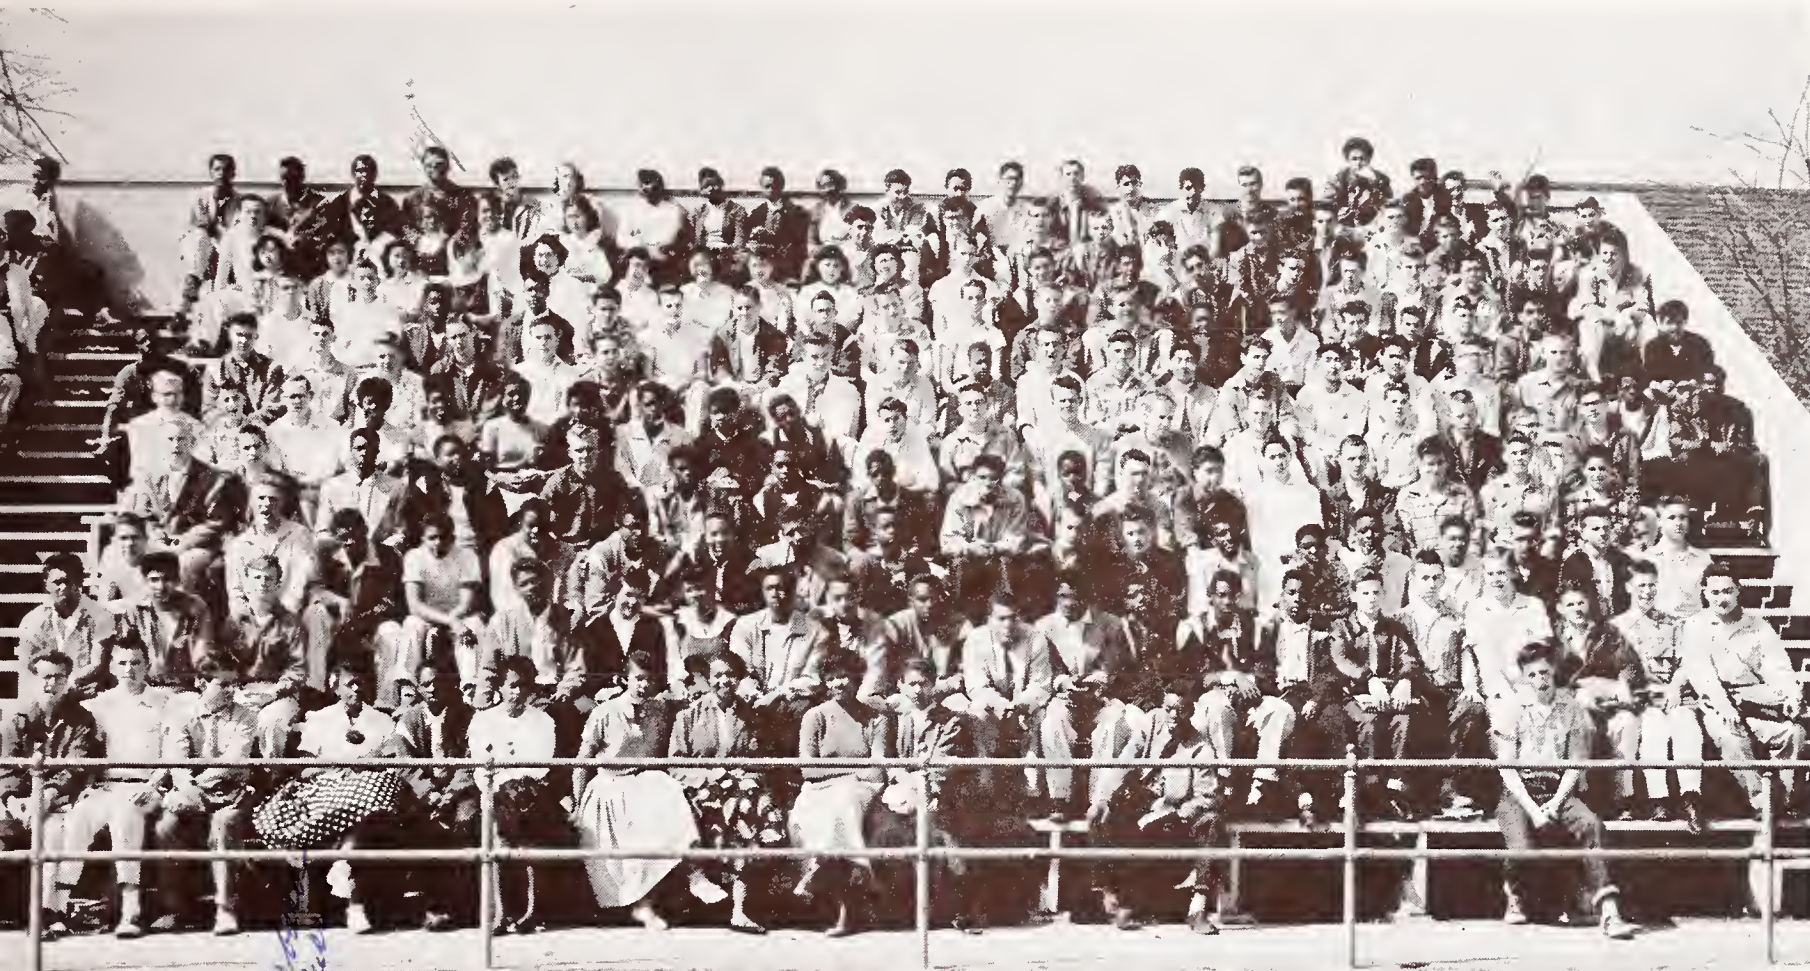

If we continue for the next two years in the same spirit and cooperation our class will leave BHS with a wonderful record.

I would like to thank our sponsor, Mr. Westover, for his help and guidance, our class council for their help in planning activities and our entire class for their assistance in making this a successful semester.

Good luck to all of you!

L-10 Class President's Message

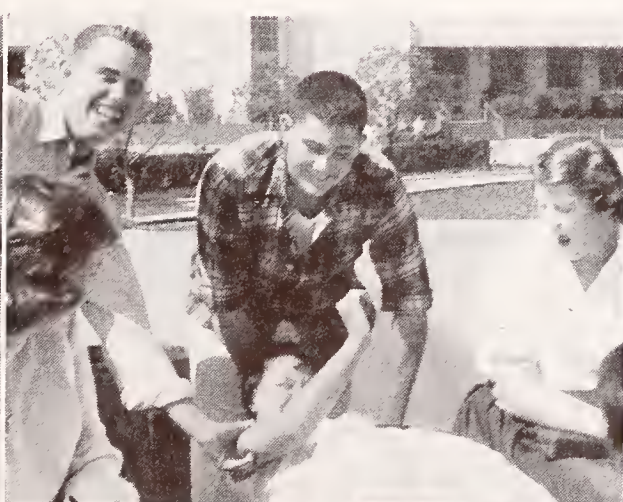

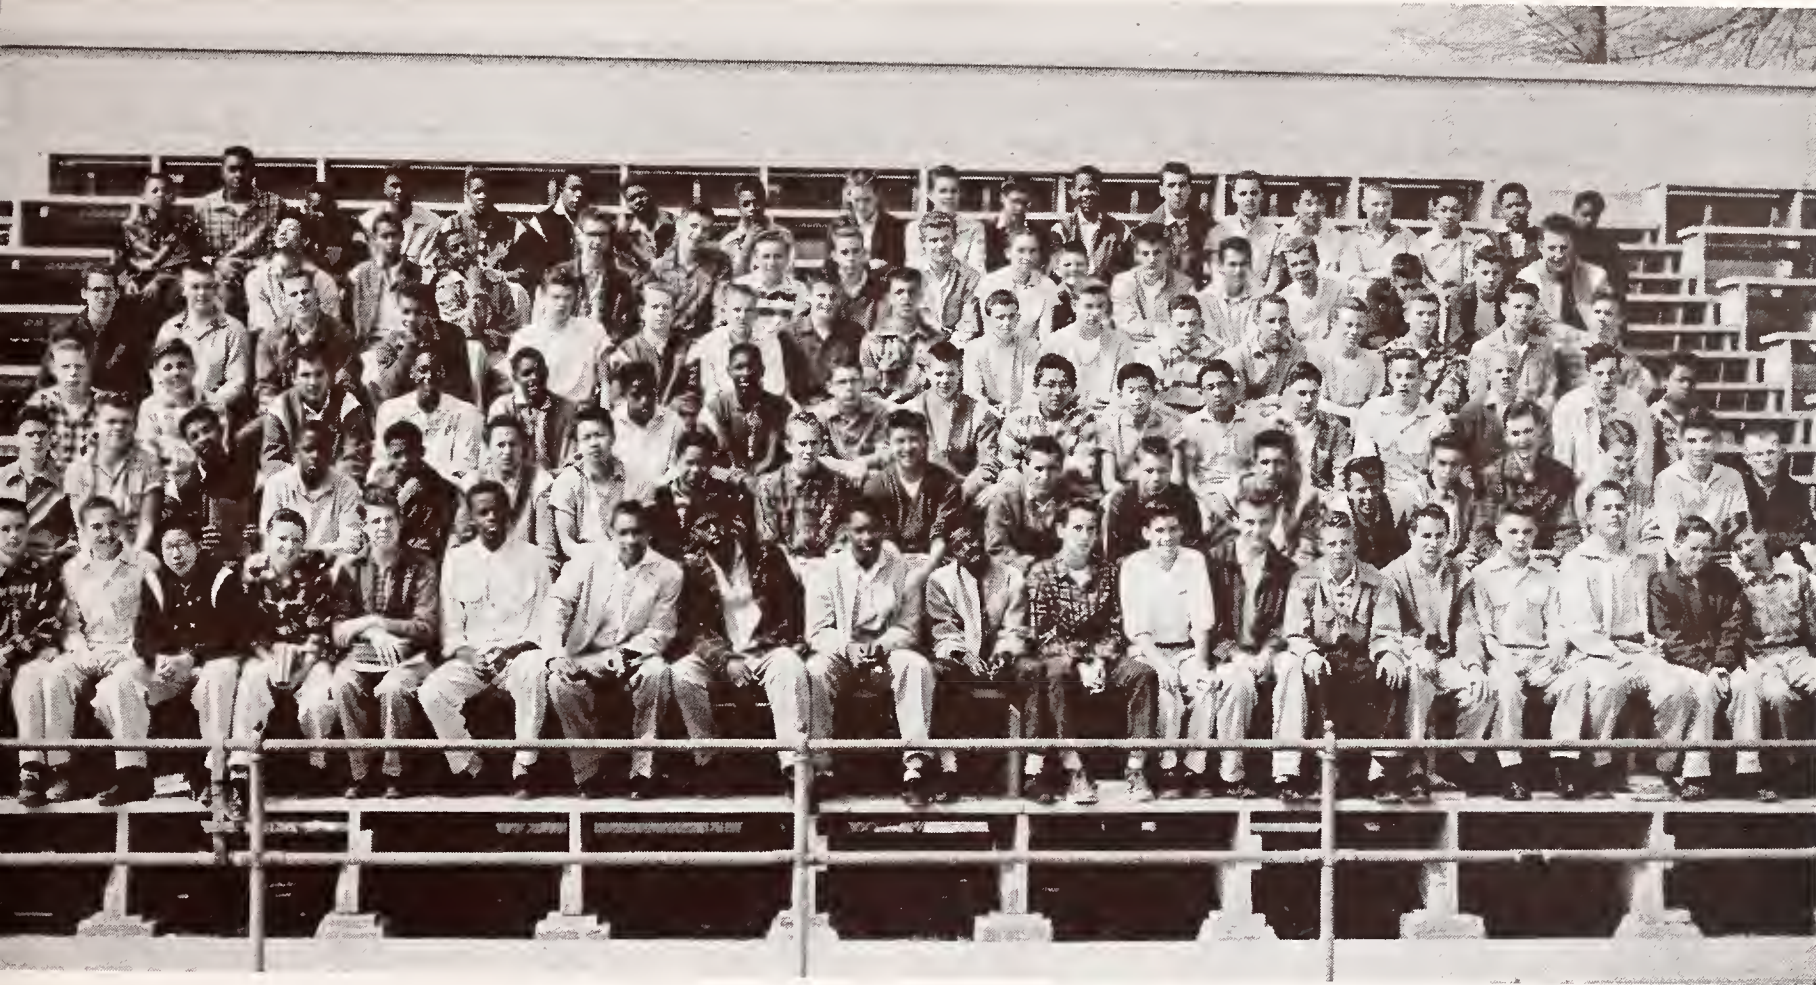

Our first semester at Berkeley High has been a big success. Our class has lots of spirit.

It has been a privilege to have been president of the L-10 class and to have had the opportunity to serve on the BOC representing our class. The homeroom representatives of our class have been very helpful in making our first semester successful. I wish to thank them, the class officers, and our sponsor, Mr. Rajander, for helping so much.

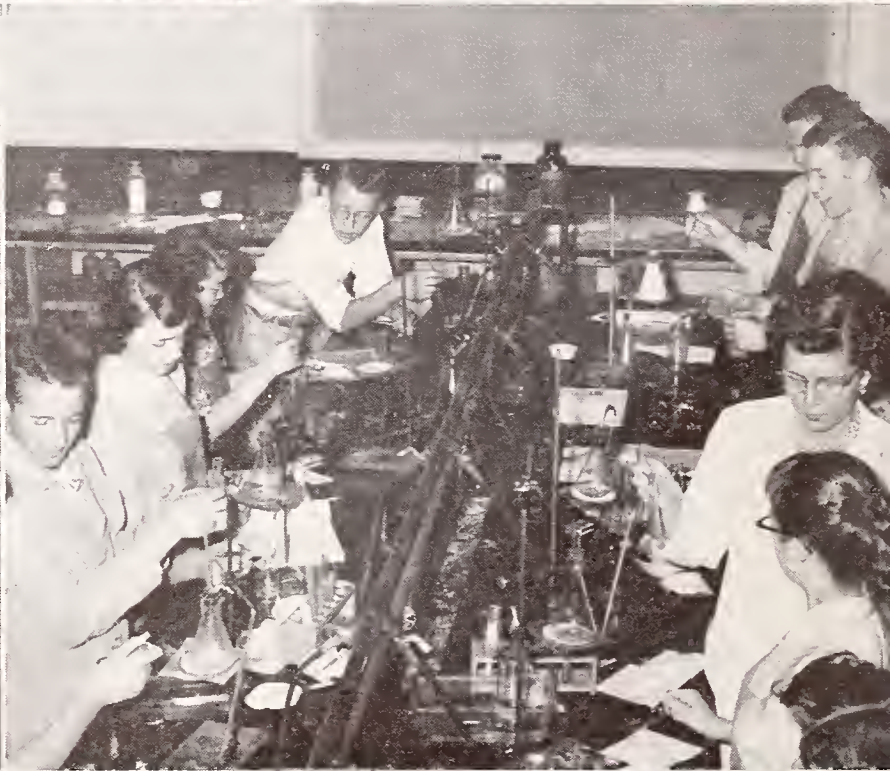

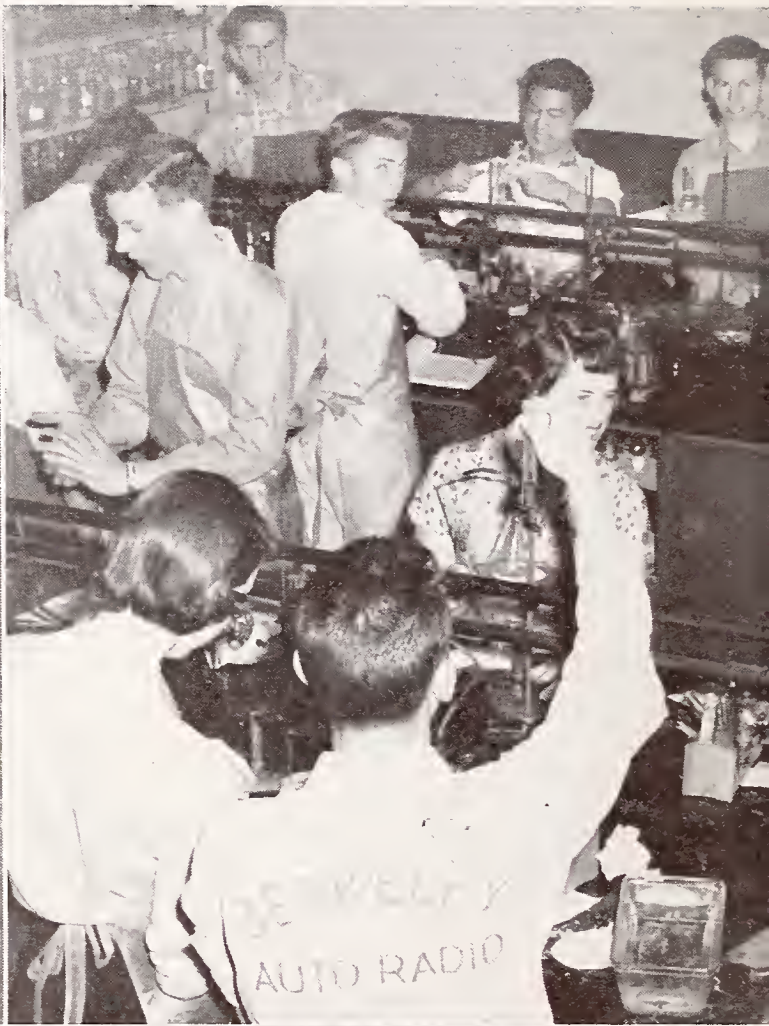

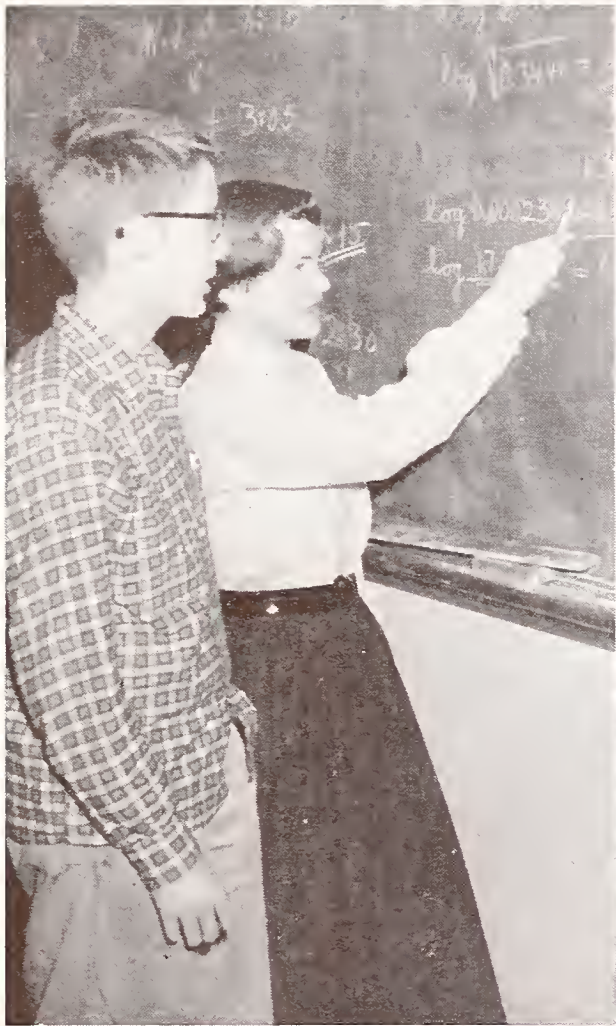

I hope the rest of you L-10's have enjoyed your first semester at Berkeley High as much as I have, and the best of luck to all of you next semester.

Dear Mrs. Cassidy,

It's been ever so much fun having you as a teacher and working with you for open-house. Making houseplans was fun too, - it was interesting and I learned a lot. This information will come in handy when (and if) I'm ever fortunate enough to build my own home. You know, taking homemaking III with you has cultivated my interest in homes. When I look at magazines

I don't just glance at the pictures the way I used to do - I study them more carefully and get a lot more out of them now! And I'm enthralled, now, about building my own home. Thank you very much, Mrs. Cassidy, for

student activities

concert band

This term has been a very busy one for the Concert Band and a most successful one. The band played for the Berkeley All-School Festival, District Music Festival at Hayward, assemblies and concerts. A new band administration was formed and band sweaters were introduced this term. The band activities this spring included a very successful picnic at Tilden Park, a ski trip to Dodge Ridge, and a picnic at Searsville. A small wind ensemble called the "Little Concert Band" played for noon shows and special concerts and assemblies. Many thanks go to the officers: Seeley Dole, vice-president; Penny Lorenz, secretary-treasurer; Madeiline Severine, social chairman; Tom Thurman, business manager; and to Mr. Lutt, director.

FRED ERVAST, President
BHS Concert Band
Spring 1956

Activity of the Dance Band has been solely preparing for school dances. The Dance Band also played for the spring Talent Assembly. The Junior Prom, Sophomore Hop, and the Senior Ball were the important dates for this group this spring. Judy Cesena, dancer, and Marilyn Garcia, singer, helped the band perform at all events. The band is sporting new powder blue dinner jackets paid for by dance dates.

MIKEY SOTO, Student Director
MR. LUTT, Sponsor

The Berkeley High Concert Orchestra, under the direction of Mr. Haynes, was kept quite busy this term. Many were chosen to play in the Pacific Music Clinic Orchestra at Stockton, and almost everyone was in an ensemble of one type or another for the California Music Festival held in Hayward, May 5.

Many school functions were supported by the orchestra's music—assemblies, the operetta "Fortune Teller," the senior play, and graduation.

The officers are David Eakin, president; Marcia Beck, vice-president; Judy Thrasher, secretary-treasurer; and Helen Winnie, social secretary. Don Weilerstein is concertmaster and student conductor.

DAVID EAKIN
President

The A Cappella Choir made up of over eighty voices and under the direction of Dr. Earl Blakeslee have participated in many different programs this last term. We have performed at such outside organizations as churches, YMCA, Veterans of Foreign Wars, the Music Festival at San Mateo and many others. Also included among our many activities was our annual picnic at Stinson Beach. The officers of the choir are as follows: Vice-president, Bill Blythe; secretary, Linda Wyckoff; treasurer, Sandy Read; robes, Mike Manley Lorie Lane, Bill Parker; librarians, Sue Seavey, Barbara Yates, Jacqueline Ranks, and the pianist, Sandra Taylor.

spring sports

As the Pod went to press all five Berkeley teams were in strong contention for their respective ACAL championships. An extensive intramural program had also been added, under the supervision of Mr. Frank Gross.

Stars who deserve mention are Dave Newsom, Jim Warner, and Lloyd Henry in golf, and Jim Ronan, Phil Koenig, Rod Dorsey, and Dick Jochums in swimming.

The baseball team is predominately seniors with Wright, Blunt, Brudney, Daniels, Leon, and Wilson carrying the load. Conversely sophomores dominate the tennis picture. Mike Farrell, Bill Hoogs, and Steve Chandler are outstanding here.

The track team won the ACAL and NCS championships. The relay team of Allums, DeWitt, Johnson and Dorsey represented Berkeley in the State Meet in Chico, June 2.

BLOCK B

The Block B Society was composed of forty-two members this term.

The majority of the members were engaged in Spring sports and other school activities. However, our semi-annual "Dads' Night" and our annual "Pot-Luck Supper" provided enjoyment for everyone.

I would like to take this opportunity to thank our officers: Paul Daniels, vice-president; Ted Davis, secretary-treasurer; and Jim Gillen, sergeant-at-arms.

Our gratitude also goes to Mr. Wilson, our sponsor, who gave us fine guidance and advice.

Last but not least, I would like to thank all the members of the Block B for their help and cooperation.

Serving on the Board of Control as the president of this organization does, has been an honor I'll always remember.

DAVE BRUDNEY
President of the Block B Society

CIRCLE B

Spring is the most active season for the Circle B. Most of our members were supporting their school in one of the many spring sports, including swimming, tennis, track, baseball, golf, and basketball.

Although comparatively smaller in number than the Block B, we were still able to raise enough money for our traditional Emil Lamar scholarship of \$50. We again sponsored the faculty-varsity baseball game.

I would like to thank every Circle B member and especially my co-officers, Larry Hanks, vice-president; Leroy Brown, secretary-treasurer; and Mr. McFarland, our sponsor, for helping to make this term a great success.

BASEBALL SQUAD

The best all-around team in the Alameda County Athletic League best described this year's baseball squad. Coach George Wilson had a talented group of boys.

After having a torrid practice season, the Jacket nine took second place in ACAL competition. The pitching staff was the uncertain spot in Coach Wilson's team, but with the help of Dave Brudney, Ron Allen, Algie Kidd and Ray Salvo, the horsehiders downed some excellent clubs. The booming bats of Villard Wright, Paul Daniels, Art Blunt, Alton Wilson, Dan Talley, Larry Leon, Nathan DiBianca and Johnell Fields provided the needed runs for the second spot place.

VARSITY

Harry Chandler, Larry Barclay, Henry Dorsey, Bill Vaughn and Don Castain made up Sid Scott's first string most of the season. Andy Morse, Mike Anderson, Bill White, Forest Ammons and Jim Eastin also figured prominently in the Varsity picture. Paced by Larry Barclay, who made All-ACAL, the Jackets nearly upset the champion El Cerrito squad twice, losing both contests by only four points. The Jacket casabamen had an over-all record of 14 wins and 6 losses. They finished fourth in the ACAL, with 8 wins in 15 games.

JV

The JVs had a very fine season, winning 10 and losing 4 in league play. This included an upset over the league champion Richmond. The JV team consisted of Capt. Ray Buckley, "Pappy" Simmons, Bob Wonder, Le Van Patton, Steve Chandler, Mike Sarkela, Dave Alvarez and many others. Recognition should also go to Mr. Ray Silva, as this was his first year as coach of the JV team. He did a very fine job.

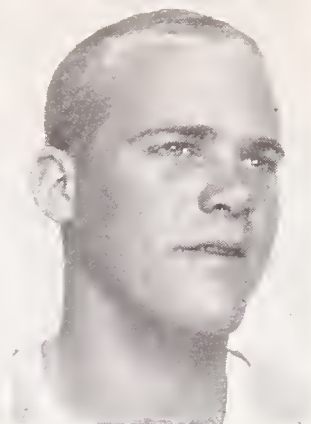

BEE

Although they took third in ACAL competition, the Berkeley Bees had a very fine over-all record of 13 wins and 5 losses. Coached by Elgin Erickson, the Bees won their first 11 games in a row. However, they met champion El Cerrito on Friday the thirteenth and lost a heartbreaker by one point. Pete Herb and Pete Scott consistently spark-plugged the Bee offensive.

VARSITY TRACK

This year Berkeley had one of its best track teams in many years. Paced by Cebon Russ, Fred DeWitt, Henry Dorsey, Rudy Johnson, and Ed Crouch, the Jacket Thinclads won all the ACAL meets except one. At the start of the season the track team went to the Martinez Relays and returned with three new relay records. These were the 440 (32.2), the 880 (129.5), and the mile (3.24). At the end of the season Berkeley won the ACAL and North Coast championships.

One of the high points of the season was the meet with Richmond. Although not favored to win, the Jackets upset the Oilers in one of the most exciting meets of the year. Rudy Jackson, the star sprinter from Richmond, won the 100 yard dash. However in the 220, Fred DeWitt edged him by half a step. The time was a tremendous 21.5, breaking a school record which had stood since 1927.

As this Pod goes to press, five members of the team are at Chico, participating in the State meet. If they all do their best times, Berkeley has a chance to capture the State title.

BEE TRACK

The Berkeley High B's coached by Rich Hacker, have really poured on the steam in ACAL competition. Jackie Williams, and Dan Hooper were the outstanding stars. In the meet with Richmond, Williams ran the 330 in 36.9, which is really only one-tenth of a second away from the school record. Dan Hooper also holds the record for the 660. Others who have helped the team are Honson Lim, Allen Unsworth, Harvie Holmes, J. Moultrie, Harvie Miller and Jim Bowman.

In the ACAL meet Williams was first in the 150. Later he also won this race in the NC Division with a record time of 15.1.

VARSITY SWIMMING

With several excellent individual stars picking up most of the points, Berkeley High paddled itself right into the thick of the ACAL picture.

A highlight of the early season was the meet with Hayward. Although the mermen lost, the meet was not decided until the last race.

By the end of April Berkeley High had a 9 won, 6 lost record. This fine record was the result of the expert coaching the boys had from Coaches Frank Gross and Ray Silva. Both of them have worked long and hard to shape the team into one of the finest ever.

Main point getters for the team were Jim Ronan in the 200 free style, Phil Koenig in the diving, Rich Jochums in the 150-yard individual medley, Dave Alvarez in the 100-yard backstroke, and Tom Martinsen and Rod Dorse in the 100-yard free style. The future should be very bright as many of these boys are sophs and juniors.

BEE SWIMMING

At midseason, the Bee swimmers had fared a little better than their big Varsity brothers. The Bees had a record of five wins out of six meets. They should do even better as they gain experience. Next year many of the present B's will be on the Varsity team.

The most consistent point getters for the junior mermen were Pete Eubanks, Rich Wayland and Jim Webb. Although there are always some stars on every team, there are many boys who also add their talents. Some of the other boys who provide the depth are Wayland and Murari in the 50-yard free style; Ulsh, Walsh, and Zemsky in the 100-yard breast; Webb and Salsbury in the 50-yard back stroke; Wayland and Dawson in the 100-yard free style, and Brown in the diving. Others on the team are Tanaka, Vish, Tsukamoto, and Vaughan.

GOLF

This season the Golf team was third in ACAL competition. The squad, coached by Elgin Erickson, did not lose a regular season match. They ended third in the finals. They beat teams like San Lorenzo, El Cerrito and Alameda.

The Golf team was lead by Dave Newsome and Lloyd Henry, who had very fine records all year.

Others who added their excellent talents to the squad were Mike Staley, Craig Hoyt, Paul Shalmy, Dave Barnett and Dave Mathews.

TENNIS

This year the Berkeley Tennis team had one of the strongest squads in years. They finished in first place, winning their tenth championship in 12 years. Five sophomores—Mike Farrell, Steve Chandler, Bill Hoogs, Jim McManus and Tony Pruce were individual stars. The doubles were made up by Tierry Konig, Normal Breslow, Bog Gardiner and Bill Demster.

Mike Farrell, the number one player, won the North Coast championship at Stanford.

Mrs. Cassidy,

I have enjoyed so much being in your home room. I can't explain a feeling we have when we come to a great big school then you play second nather to us. Well I will never forget your as long as I live.

Then I am so very happy I finally had you to teach me in a class. It was as so nice. But I guess like people say everything comes to an end. Well I have had been a dream with little goals plus of course misunderstandings and all but I would give anything to do and re live these past 3 years all over again. Well I guess this will be the end of our High School days. The way my parents' look back at things and remember all the good times I also can look back at the crazy things we have done.

Mrs. Cassidy I want to wish you all the best & teacher needs and the happiest of thoughts' always from a girl in your home room who thinks you did swell with your class.

Luz de Alho

P.S. Thank you ever and over again for everything you have done for me and the rest of us.

TRAMPOLINE
BASKETBALL

This term Mr. Gross had another fine group of boys out for intramural sports. Intramural sports is one of the most important parts of the sports picture at Berkeley High. It gives the boys who don't excel in any one sport and who still like to participate, a terrific chance to play with teams of about the same size and ability. Basketball, tennis, and trampoline made up the spring intramural sport schedule. To the great

surprise of all, there were many who turned out this spring, especially for basketball. There are ten teams in basketball, with about six boys on a team. The ten squads are divided into two leagues, the A and B. The other sports of tennis and trampoline also had a very good turnout. Those who have only a small knowledge of tennis and trampoline had a very good chance to come out, learn and enjoy themselves.

TENNIS

Dear Mrs. Cassidy;
 Well I don't know just what to write, for I have never written in a letter to a teacher before. You are a very nice teacher I have enjoyed your class very much. I have learned quiet a bit in your class, I only hope that I can remember everything you have taught us. You no doubt have been wished a lot of luck, but I will wish you a little more, I wish you the best of luck in every thing you do. And happiness in every thing you do. Love

President's Message

The GAA is the organization which encourages participation in organized sports by all girls in Berkeley High. Membership in the association is open to everyone through participation in one or more of the sports clubs.

The past term was divided into two sports sessions. In the first session the active clubs were Badminton, Tennis, Swim, Sinkers and Dance. In the second half activity was centered in the Softball, Tennis, Dance, Lifesaving and Recreational Swim clubs.

The activities of the GAA are governed by the council and the GAA officers. The council consists of last term's officers and two representatives from each club. The officers this term were Sara Henderson, vice-president; Pam Fox, secretary; and Connie Hays, treasurer.

In addition to the weekly or semiweekly sports program of the clubs, the association activities included a playday to which all Berkeley High girls were invited, a picnic for GAA members and the dinner at the end of the term for the council and for the installation of the new officers.

The GAA enjoyed another wonderful term thanks to our sponsor, Miss Barrow, who generously gave her time and effort, and thanks also to all the council members and others who devoted many hours towards the success of the GAA program.

With yrs. cordially,

You want to know something,

I think you are a real nice teacher.

And now you see my explanation. But

all of the other members here at

at B. H. J. & in leaving, the Advance

Meeting ~~and~~ class has been my favorite.

Why? Simply because you know how

to arrange a class & keep it under control

you have the class so that when you

have there isn't a sound made & loud

talking, but a little quietness. I'll say

that I will let this whole paper (page) but

it is hard to stop telling you & your

have sufficient appearance.

thus may sound very funny coming

from a man like me. But in my

opinion I think you shall go much

further than you have already thought.

Because you wish your personality

being what it is to give you a better

view in a while. I promised not &

talk much so I'll close for now.

Respect

Flannery Mae - July 5

P.S. I'll say not to be late next time.

8 times was just the same - (that's) (imagine)

Dear Mrs. Cassidy,

I just can't express in words my feelings for you. You have meant so much to me in my years at Berkeley High. Without your advise and help I know many things would have gone wrong. I can hear my mother saying now (when I had a question or problems) "What does Mrs. Cassidy think?"

Besides being a wonderful teacher, I am proud to claim you as my true friend. I'll try to come see you often next fall. I'll probably need a lot of advise!!

Thank you again for helping me so much.
To my favorite teacher.

Love,
Puth

Dear Mrs. Cassidy,
It has been so wonderful
being in your Home Co. II Class
and my only regret is that I
didn't happen Home Co.
I can't tell you how much I've
enjoyed knowing you this term.
I've heard so many great things
about you from Puth & David
and now I see why they would
be my friends.
I think so much of making
my entire year your class as
great as for listening to all my
silly troubles - it helps.
I appreciate you always,
